### **In the name of Allah, the Most Gracious, the Most Merciful**

Dear Supporters, Donors, and Well-Wishers,

As we reflect on the year ending April 2025, we are filled with gratitude and hope. It has been another remarkable year for Baseer Welfare International — a year of growth, impact, and unwavering service to humanity.

Thanks to your continuous support, we were able to expand our programs, touch more lives, and respond swiftly to the growing needs of the communities we serve. From distributing over £10,000 worth of food packages, to delivering clean water, supporting orphans, and running critical seasonal projects such as Iftar, Fitrah, and Qurbani — every effort was made possible by your generosity.

We are especially proud to announce that we are now shifting towards sustainable development initiatives. In the face of rising global inflation and economic hardship, it is more important than ever to empower individuals and families to become self-sufficient. Our future plans include vocational training, small business grants, and agricultural projects that will offer long-term solutions and lasting dignity.

Our mission is simple, yet profound: to serve humanity with sincerity, transparency, and compassion. And we remain committed to that mission — with your continued trust and support.

May Allah (SWT) bless all those who contribute with their wealth, time, and duas. Together, we are building a brighter, more hopeful future.

## Message from the Regional Director

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuh,

It is an honour to serve as the Regional Director of Baseer Welfare International and to witness, first-hand, the incredible impact our collective efforts are having on communities across the globe.

This past year, our team on the ground worked tirelessly to ensure that every pound donated was translated into meaningful action — whether it was delivering food to the hungry, ensuring access to clean water, supporting orphans, or making Ramadan and Eid more joyful for families in need.

Our work is not easy, but it is deeply rewarding. Behind every package delivered and every hand extended, there is a story — a mother who can now feed her children, a child who can attend school, a family who feels remembered and valued. These are the moments that define our mission.

Looking ahead, we are preparing to launch new initiatives aimed at breaking the cycle of poverty. Through vocational training, small-scale business support, and education programs, we are committed to helping individuals stand on their own feet — not just for today, but for a better tomorrow.

To all our donors, volunteers, and supporters: your generosity fuels our mission. May Allah (SWT) bless you all and reward you abundantly for your compassion.

With sincerity and service,

**Regional Director**

Baseer Welfare International
